

The Shrimp Tank brings you interviews with some of the most successful business owners in the United States to learn the do's and don'ts of starting and running a successful business. Then, the fun really starts when we bring in high school and college students to pitch their business ideas to the Shrimp Tank. We don't fund any business, but we do teach kids how to turn their business ideas into a successful business.

Ted Jenkin and Brandon Lewis

Brandon Lewis/[Strategic Claim Consultants](#)

CEO and Owner of Strategic Claim Consultants. As a 22 plus-year Atlanta business leader and executive coupled with nine years in the insurance advocacy profession, Brandon Lewis has forged a unique industry crossover. Brandon brings with him the experience of handling over 15 major natural disasters globally.

Brandon is the 2017 President of the Georgia Association of Public Insurance Adjusters, GAPIA.

His other participations include the Atlanta Apartment Association, where he is a member and has educated the association on disaster preparedness. He is also a member of the National Suppliers Council. He has been a guest speaker at Emory University and worked closely with the Red Cross. Brandon attended both Pace

University Lubin School of Business and Hofstra University.
